EXECUTIVE SUMMARY

Beyond Creativity is a Digital marketing & IT company that was founded in 2019 during Covid with a purpose of offering professional, modern & affordable digital tech services to Companies looking to either improve or officially launch their businesses online.

Beyond Creativity has so far shown so much potential for a Startup and can blossom way bigger. We are more than inviting and happy to team up with different Companies to continue growing and expanding this year and other years to come.

HERE'S WHAT THEY SAY ABOUT US

We've worked with Beyond Creativity as our official graphics designer for over 2 years. We are satisfied with the service we get from them. The creativity, excellence and timely delivery of work is exceptional.

Shadrack Kuteesa
CEO Vine Ent

Third party websites are not the best way to find competent web designers. Beyond Creativity is a one-stop shop.

Stacey Nelson
Anti-Corruption League

They are some of the best designers I've ever worked with.
